

The harvest is plentiful but the workers are few.  
Ask the Lord of the harvest, therefore, to send out  
workers into His harvest field.

## Facing the Task Unfinished

Dear Friend of YNOP,

Hard to believe that 2017 is already half over! It has been a great year here at YNOP, but there is much to get done in the months ahead.

As you have been part of the team of financial supporters that God has raised up to do so much in recent years, I wanted to share some pictures with you of some of the things you have made possible, and to let you know of some very important things we are working on as we prepare for **Summer Challenge 2017 – Facing the Task Unfinished**.

What a blessing that, during these challenging days we live in, YNOP can be on the air sharing the good news across Montana, Wyoming, Idaho, and North Dakota...and in east Africa on New Life Radio Tanzania!

Our first priority is to be here for you with the best teaching and music available. With each passing year I see how vital it is that we build our lives on the Rock of Christ Jesus...there is no substitute for knowing the word of God, and we are blessed to be able to air many fine teaching programs every day.

We are equally blessed with some of the best Christian music available. I can't adequately explain it, but there is power in music...so often we hear from people who needed a touch from God, and found it when they heard just the right song at just the right time on YNOP!

And, I'm grateful for the dedicated staff we have at YNOP...both the behind the scenes people, and those who are on the air each day.

It is our prayer that you, and many others, will find daily encouragement, guidance, and inspiration to seek God more fully as you tune in Your Network of Praise! Thank you for making it possible through your prayers and support!

Over the past few years we have talked a great deal about Africa, and New Life Radio Tanzania. There is a harvest coming that far exceeds anything we ever imagined in this special part of the world, and as 2017 goes on we are re-doubling our efforts to know and follow God's plans for YNOP / NLRT!

New Life Radio Tanzania debuted on December 3, 2015, with Bishop Eliudi Issangya sharing a sign-on prayer. He understood the great need for Christian radio in Tanzania, and concluded his prayer by passionately praying "...asante, asante, Jesu" ("...thank You, thank You, Jesus")!

Soon after NLRT signed-on, weekly prayer meetings began and people from all over the region came to receive prayer and hope.

As people came to Christ, the establishment of a church became necessary and the New Life Radio Church began meeting in a tent next to the radio station. Now, a simple building has been constructed in place of the tent, and each Wednesday and Sunday many gather to praise and seek to know their Savior!

Many start their day with Dave, Nick, Carlene, and Marci on the Morning Show.

A friend to many, Earl serves as YNOP's Ministry Coordinator.

Lois covers the late-night hours and Gospel Music Country Style each Saturday.

We are blessed with a dedicated staff of Tanzanians to serve at New Life Radio.

Bishop Eliudi on the air on New Life Radio.

New Life Radio Church tent meeting in 2016.

The tent has been replaced with a simple building...dirt floor, open air in places.

Many in need of prayer are helped at New Life Radio Church.

But, as our theme for 2017 notes, the task is not yet finished!

Even now, there are regions in the YNOP listening area where the message of Christ cannot be heard on the radio. One such area is Hardin, Montana...a special place with a special need for the gospel. YNOP has been trying to obtain an FCC license to broadcast in Hardin for 14 years! In 2016 a way into Hardin was found, and obtaining an FCC license to broadcast there is our #1 goal for 2017 here at YNOP!

In Tanzania, the need for Christian radio is great...FM radio is the best way to reach people in Tanzania, and we believe that God is calling New Life Radio Tanzania...soon to be renamed New Life Radio Network...to play a significant role in meeting that need! Plans are underway to transition from broadcasting locally on one station to broadcasting on a national scale, with the goal of reaching as many of Tanzania's 55 million people with the gospel as possible in the next few years!

This "unfinished task" seems far larger than we can handle. But, we know that as we seek God's guidance in this assignment, and we all work together, we will one day see it through to completion!

As **Summer Challenge 2017 – Facing the Task Unfinished** is now underway, we ask for your prayers and partnership more than ever!

There is much more to share than what we have space for in this letter...please go to YNOP.org for more information, and join us for a very important **Summer Challenge** broadcast on Monday, July 24th!

Your Friend In Christ,

Roger Lonquist

Roger Lonquist  
Network General Manager

Instead of putting my picture here, I wanted to introduce you to my counterpart at New Life Radio...our Station Director, Peniel Sikawa.

## SUMMER CHALLENGE 2017 – GOAL: \$75,000
